

# Suburban Utilities Superintendent Association – SUSA

## One-Day Utility Operations School

SUSA's mission is to provide information, education, networking, and charitable opportunities to water and wastewater professionals to promote public health, safety, and welfare.

Through this one-day school, SUSA hopes to inform and educate utility operators and supervisors, and promote personal networking, to better prepare individuals for experiences within and outside their jobs.

Please consider attending this great educational opportunity (*6 MDH approved water contact hours*).
